# About ISWA Africa Regional Chapter

The ISWA Africa Regional Chapter (ISWA ARC) is the official regional platform of the International Solid Waste Association (ISWA), representing Africa in the global mission to promote sustainable waste and resource management. We bring together governments, municipalities, industry, academia, and civil society to collaborate on practical solutions that advance the circular economy, zero waste, and climate action across the continent.

## ISWA ARC Membership

Our Membership offers access to regional and global expertise, training opportunities, collaborative projects, and a platform to influence policy and innovation in the waste sector. Additionally, Becoming a member connects you to a dynamic, cross-sector community working to turn Africa's waste challenges into opportunities for growth, innovation, and sustainability. Join today to help shape a cleaner, greener, and more resilient Africa.

## Membership Levels

- Individual Membership: Professionals, and Academics in waste and circular economy field
- Partners: Organisations, institutions, companies, country level organisation aligned with ISWA's mission
- Youth: Young Professionals (YPs) below 35 years, full time students under the age of 35
